- Marauders T-shirt (purchased at time of registration if you choose to)
- Non-scuffing running shoes

### **Optional Supplies**

A personal computer like a Chromebook or other laptop will be an asset to your child's learning. Devices for use at school should be compatible with the Google environment. We have a partnership with Staples here in town that you can take advantage of. See the post on our website for more information! Our goal is to have all of our students have their own, or have access to a school Chromebook, everyday at the school.
